Information for Homeless Students

The McKinney-Vento Homeless Assistance Act (the Act) ensures educational rights for children and youth experiencing homelessness. The primary goal is educational stability. The Act defines homeless students as those who lack a fixed, regular and adequate nighttime residence. This includes:

1. Children and youth who are forced to share the housing of other persons due to the loss of housing, economic hardship, or a similar reason; live in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; live in emergency or transitional shelters; are abandoned in hospitals; or are awaiting foster care placement;
2. Children and youth who have a primary nighttime residence that is not designed for or ordinarily used as regular sleeping accommodation for human beings;
3. Children and youth who live in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; or,
4. Migratory children are considered homeless when they are living in circumstances set forth in items 1, 2 and 3. Unaccompanied Youth are students who are not in the physical custody of a parent/guardian and are living in a homeless situation.

Homeless students have certain educational rights and can:

- enroll without delay in school without proof of residency or permanent address, immunization, school records, or other documents or while documentation is being obtained
- choose between the local school where they are living or the school last attended before becoming homeless, when requested by the parent and determined by the district to be feasible and in the student's best interest
- attend school and participate in school programs with children who are not homeless; and receive all the school services available to other students including transportation services, special educational services where applicable, and meals through the school meals programs
